Horizontal rows are called **periods** (*numbered 1-7*)

Vertical columns form a **group**, or **family** of elements (*numbered 1-18*)

There are so many good resources available to help you look into the details of the Periodic Table and also to help you with **Think and Link Investigation 2-D** (Science Focus pgs. 129-133) **Meet the Modern Periodic Table**, that you should have access to the Internet when you complete the investigation.
